Agreso Intro

Growing Sustainably, Harvesting Trust!

Agreso, short for **Agriculture Resource Solution**, is the agricultural arm of MRS Group, carrying the responsibility of cultivating a greener future. Our journey began with a dream – a dream of transforming barren lands into lush, thriving landscapes and creating a sustainable legacy for future generations.

This vision was born from the belief that regenerative agriculture could heal the land and uplift the lives of those who rely on it. Years of dedication and innovation have allowed us to blend tradition with modern practices, ensuring every grain we produce reflects our commitment to quality, sustainability, and trust.

Today, Agreso continues to plant seeds of hope and resilience. With every sunrise, we renew our promise to nurture the land, empower communities, and deliver the finest rice to tables worldwide—ensuring the homeland, and the planet, thrives for generations to come.

The flavor of Vietnam Homeland

Starting from the love with
Vietnamese pepper!

With fertile land and a warm climate from the Highland Centre, enriched by its rich basal soil, Vietnam produces the finest pepper. In these lush, abundant regions, AGRESO carefully selects the best peppercorns, nurtured by nature.

Rooted in tradition and committed to sustainability, our farmers work with dedication, respecting and harmonizing with the land. From sun-drenched fields to our modern processing facilities, each peppercorn is carefully handled to preserve its natural flavor, richness, and the essence of Vietnam — delivering sincere, full-flavored pepper from farm to table.

The core of Excellence

Freshness at its finest,
delivered with care.

Situated in Vietnam, blessed with abundant advantages including a tropical climate, rich raw materials, and skilled human resources, we take immense pride in our capacity to deliver premium quality pepper products worldwide. Our commitment is to offer competitively priced solutions that not only meet your specifications but also exceed your expectations, ensuring your utmost satisfaction.

Location: Gia Lai & Dong Nai, Vietnam

Capacity: 300MT/day

Whole pepper

Black
Spicy,
aromatic,
bold

SPECIFICATIONS

- Standard: FAQ, ASTA
- Density: 400 – 600 G/L
- Moisture: 12.5% – 13.5% max
- Admixture: 0.2 – 1% max
- Packing: In PP/ PE/ Kraft bags or buyer's option

ORIGIN & FLAVOR

Vietnamese black pepper is known for its bold spiciness and rich aroma. Grown in regions like Gia Lai, Dak Lak, and Dak Nong, it adds intense heat and fragrance to any dish.

PERFECT FOR:

Seasoning meats, soups, sauces, or salads. When freshly ground, Vietnamese black pepper releases its full spicy flavor, adding depth and warmth to various dishes.

**Whole
pepper**

White

Mild,
delicate,
smooth

SPECIFICATIONS

- Standard: Double Washed
- Density: 630 G/L
- Moisture: 13.5% max
- Admixture: 0.2 max
- Black seed: 2% max
- Packing: In PP/ PE/ Kraft bags or buyer's option

ORIGIN & FLAVOR

Vietnamese white pepper is valued for its mild heat and delicate flavor. Sourced from the same regions as black pepper, it offers a more subtle spiciness with a smooth, earthy aroma that enhances dishes without overpowering them.

PERFECT FOR:

Seasoning soups, sauces, and seafood dishes. When freshly ground, Vietnamese white pepper provides a gentle heat and aromatic kick, perfect for lighter or more refined recipes.

Ground pepper

Powder

Fine,
rich,
warm

SPECIFICATIONS

- Mesh: 40-100 Mesh
- Moisture: 12.5 - 13.5% max
- Admixture: 0.2 max
- Packing: In PP/ PE/ Kraft bags or buyer's option
- Loading: 15 MT/20FT

ORIGIN & FLAVOR

From Vietnam's renowned pepper-growing regions, our ground pepper captures the bold essence of freshly harvested peppercorns. Once finely milled, the flavor becomes more immediate — releasing its heat and aroma faster and more evenly across dishes.

PERFECT FOR:

Compared to whole pepper, ground pepper offers deeper integration into marinades, sauces, and dry rubs, allowing the spice to fully infuse with every ingredient. Ideal for seasoning meats, soups, marinades, and spice blends.

Fieldish

We have no greater dream than for everyone to experience truly healthy and high-quality agriculture produce

Each plants in our regenerative ecosystem tells a story we want to share, a valuable product we bring to the community.

BEYOND PEPPER

CASSIA

Whole tube

Cigar cassia

Split cassia

Whole press

Round cut

Square cut

Broken cassia

Powder cassia

ORIGIN & FLAVOR

Cassia from Yen Bai is known for its warm, sweet, and aromatic flavor. Sourced from the highland regions of Yen Bai, it offers a richer, more intense flavor compared to regular cinnamon, making it a perfect addition to both sweet and savory dishes.

PERFECT FOR:

Seasoning stews, soups, or desserts. When ground, Yen Bai cassia adds a deep, spicy warmth to dishes, providing a bold and aromatic experience.

BEYOND PEPPER

STAR ANISE

Autumn Star Anise

Spring Star Anise

Broken Star Anise

ORIGIN & FLAVOR

Star anise from Lang Son is celebrated for its sweet, licorice-like flavor and strong aromatic profile. Grown in the mountainous regions of Lang Son, it offers a unique, intense fragrance that enhances both savory and sweet dishes.

PERFECT FOR:

Seasoning soups, braises, and desserts. When ground or used whole, Lang Son star anise adds a rich, warming flavor and a fragrant kick, elevating the taste of your dishes.

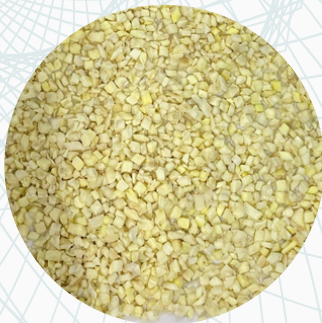

BEYOND PEPPER

GINGER

Sliced dried ginger

IQF Ginger Minced

Ginger Powder

ORIGIN & FLAVOR

Ginger from Vietnam is known for its fresh, zesty, and slightly spicy flavor. Grown in fertile regions like Vietnam's northern highlands, it offers a bold, invigorating aroma and a warm, aromatic heat that enhances a variety of dishes.

PERFECT FOR:

Seasoning soups, stir-fries, marinades, or teas. When freshly grated or ground, Vietnamese ginger adds a vibrant, spicy kick, bringing depth and a refreshing warmth to your cooking.

Growing with purpose

Every peppercorn we harvest carries a story of care for the land, for the people, and for a greener future.

From the very beginning, AGRESO has rooted its values in **Sustainability** and a deep sense of **Social Responsibility**, which have become the heart of our identity. We believe that **every act of care towards the environment and community leaves a lasting impact, beyond just the products we deliver.**

Our commitment is reflected in fostering job opportunities, supporting local communities, and **safeguarding pepper growing regions** by promoting **regenerative farming practices**. We strive to ensure that **each crop nurtures the soil, uplifts the people, and strengthens our planet.**

Because we know that **when we nurture the land, it nurtures us back.** Because we believe that **giving life to nature is giving life to generations.**
